FOR IMMEDIATE RELEASE

**HOLIDAY GIFT MAKING WORKSHOP FOR KIDS AT THE
DISCOVERY MUSEUM**

The Discovery Museum in Old Town Eureka will be offering a Holiday Gift Making Workshop for children on December 14th and December 15th from 5:30 to 8:00. Children will be able to create homemade gifts for loved ones. Each night will feature two gift making projects that differ from that of the other day. This program is open for potty-trained children ages 3-12. Pre-register for this drop-off program by calling the Discovery Museum at (707) 443-9694. Registration is \$12 for members and \$15 for non-members.

Parents who need some time to themselves to do some holiday shopping will appreciate the opportunity to drop off their kids for a fun, safe, and supervised evening at the Discovery Museum. Kids will be able to enjoy creating gifts for the ones they love. The children will be making two gifts and wrapping them. A snack will be provided. Workshops will fill up early so reserve your spot now!

The Discovery Museum is a local non-profit children's museum filled with interactive exhibits and educational programs that encourage children to explore the world around them. Children and their families explore the worlds of nature, art, science, culture and technology through hands-on discovery.
